

# UPGRADE AND MAINTENANCE OF EDEN CAMPUS

## PROJECT

Upgrade the male hostel

## RATIONALE

**PICTURE 1 – TYPICAL DORMITORY**

**PICTURE 2 – ABLUTION BLOCK**

The first picture shows a typical dormitory, of which there are seven. The second picture shows one of the two abluition blocks.

Our plan is to redesign the abluition blocks to provide greater privacy for students and make them more hygienic, carry out decorating upgrades to the dormitories and finally to repaint the entire male hostel block
